

The background of the poster is a dark, atmospheric illustration of a Halloween scene. It features a large, glowing full moon in a dark, cloudy sky. In the foreground, there are several jack-o'-lanterns (pumpkins) with carved faces, some of which are lit from within, casting a warm orange glow. To the left, there are two lit candles in holders, also providing light. The overall color palette is dominated by dark blues, blacks, and oranges, creating a spooky and mysterious mood.
